SUBJECTS

Abstracts
Abstracts of the scientific programs of the American College Health Association Sixty-Ninth Annual Meeting, May 28–June 1, 1991, Boston. July 15-38.

Acquaintance Rape
Acquaintance rape on campus: A literature review. Benson D, Charlton C, Goodhart F. Jan 157-165.
College men as perpetrators of acquaintance rape and sexual assault: A review of recent research. Berkowitz A. Jan 175-181.
Constructivist self-development theory: A theoretical framework for assessing and treating traumatized college students. McCann IL, Pearlman LA. Jan 189-196.
The continuum of violence against women: Psychological and physical consequences. Leidig MW. Jan 149-155.
Self-defense training for college women. Cummings N. Jan 183-188.
Unwanted sexual activity: The prevalence in college women. Tanzman ES. Jan 167-171.
Violence on campus: The changing face of college health. Steenbarger BN, Zimmer CG. Jan 147-148.

AIDS
College students' perception of sources of information about AIDS. Cline RJW, Engle JL. Sept 55-63.
Development of a classroom-based AIDS education program at a New Jersey state college. Blonna R, Hayden J, Milcetic J. Sept 95-96.
Effects of a peer-led AIDS intervention with university students. Shulkin JJ, Mayer JA, Wessel LG, deMoor C, Elder J, Franzini LR. Sept 75-78.
Gender, knowledge about AIDS, reported behavioral change, and sexual behavior of college students. Carroll L. July 5-12.
HIV-related sexual behaviors of college students. Butcher AH, Manning DT, O'Neal EC. Nov 115-118.
Predictors of safer sex on the college campus: A social cognitive theory analysis. O'Leary A, Goodhart F, Jemmott LS, Boccher-Lattimore D. May 254-263.
Student and faculty knowledge, attitudes, and behaviors related to AIDS: Implications for health educators. Carney CG, Boroway M, Perkins R, Pousson R, Whipple J. Sept 64-72.
Time to move forward: An agenda for campus sexual health promotion in the next decade. Keeling RP. Sept 51-53.
What is the impact of a campus AIDS education course? Goertzel TG, Bluebond-Langner M. Sept 87-92.

Alcohol
College health services should promote Good Samaritan rules as part of university alcohol policies. Meilman PW. May 299-301.
Self-induced vomiting in college women: Its relation to eating, alcohol use, and Greek life. Meilman PW, von Hippel FA, Gaylor MS. Sept 39-41.

Book Reviews
College Psychotherapy. Grayson PA, Cauley K, eds. Marsh KF. Sept 101.
College Student Suicide. Whitaker LC, Slimak RE, eds. Babineau R. May 303.

Bulemia
Ipecac abuse—Danger. Vanin JR. March 237-238.
Using the health belief model for bulimia prevention. Grodner M. Nov 107-112.

Cholesterol
Cholesterol screening—What should we be doing? Manchester RA. May 278-279.
Screening college students for hypercholesterolemia. Faigel HC. May 272-275.

Consumer Education
The need for an expanded college consumer health curriculum. Sofalvi AJ. Nov 139-140.

Contraceptives
Barrier versus oral contraceptive use: A study of female college students. Radius SM, Joffe A, Gall MJ. Sept 83-85.

Diet and Nutrition
Ipecac abuse—Danger. Vanin JR. March 237-238.
Using the health belief model for bulimia prevention. Grodner M. Nov 107-112.

Health Examinations
The periodic health examination in college students revisited. Reith P. Nov 119-123.

Health History
Getting the story straight: Evaluating the test-retest reliability of a university health history questionnaire. Gilkison CR, Fenton MV, Lester JW. May 247-252.

Homosexuality
Baby boom parents and homosexuality: Continued challenge for college health educators. Fox LS. Nov 141-143.

Human Papillomavirus Infection (HPV)
Risk level, knowledge, and preventive behavior for human papillomaviruses among sexually active college women. Vail-Smith K, White DM. March 227-230.

Hypercholesterolemia
See Cholesterol.

International Students
Implementing a comprehensive health education program for international students. Ogbudimkpa JE, Lambert B, Kingston RE. Nov 137-140.
Observations on student healthcare in Japan. Jurs E. March 239-240.

Marketing
In the eye of the beholder: Pretesting the effectiveness of health education materials. Hirsch R, Edelstein ME. May 292-293.
Simply irresistible. Marketing health to the student consumer. Berne LA, Smith CB, Walch TE. July 43-44.
Relationship marketing and service quality. Delene LM. May 265-269.

Mental Health
Book review: *College Psychotherapy.* Grayson PA, Cauley K, eds. Marsh KF. Sept 101.
Book Review: *College Student Suicide.* Whitaker LC, Slimak RE, eds, Babineau R. May 303.
Constructivist self-development theory: A theoretical framework for assessing and treating traumatized college students. McCann IL, Pearlman LA. Jan 189-196.
Coping with the disruptive college student: A practical model. Amada G. March 203-215.
Medical withdrawals from college for mental health reasons and their relation to academic performance. Meilman PW, Manley C, Gaylor MS, Turco JH. March 217-223.
One university's use of volunteer mental health professionals. Godenne GD. May 281-286.

Nurses
Effectiveness of a stress management program in reducing anxiety and depression in nursing students. Johansson N. Nov 125-129.
Nursing diagnosis as a needs assessment tool for campus health promotion. Frisch NC, Woods T, Bugle L. Nov 135-138.

Peer Education
Effects of a peer-led AIDS intervention with university students. Shulkin JJ, Mayer JA, Wessel LG, deMoor C, Elder J, Franzini LR. Sept 75-78.

Pharmacy
Dispensing medication samples by the pharmacist in an institutional setting. McSherry TJ, Tonnies FE. March 235-236.

Psychotherapy
Constructivist self-development theory: A theoretical framework for assessing and treating traumatized college students. McCann IL, Pearlman LA. Jan 189-196.
Coping with the disruptive college student: A practical model. Amada G. March 203-215.
Medical withdrawals from college for mental health reasons and their relation to academic performance. Meilman P, Manley C, Gaylor MS, Turco JH. March

217-223.
See Book Reviews; Mental Health.

Safety
Designing a safety program for a college health service. Sarvela PD, Holcomb DR, Odulana JA. March 231-233.
Self-defense training for college women. Cummings N. Jan 183-188.

Sexual Assault
See Violence on Campus.

Sexuality
Is value-free sex talk valuable? Meisenbach B. Sept 99-100.

Sexually Transmitted Diseases
See AIDS; Human Papillomavirus Infection (HPV).

Stress
Effectiveness of a stress management program in reducing anxiety and depression in nursing students. Johansson N. Nov 125-129.

Student Health Service
College health 2050. Whale E, Christmas W. May 295-298.
College health services in California. Davidson RC, Chuck JM, Snively S. Nov 131-134.
The periodic health examination in college students revisited. Reith P. Nov 119-123.

Violence on Campus
Acquaintance rape on campus: A literature review. Benson D, Charlton C, Goodhart F. Jan 157-165.
College men as perpetrators of acquaintance rape and sexual assault: A review of recent research. Berkowitz A. Jan 175-181.
Constructivist self-development theory: A theoretical framework for assessing and treating traumatized college students. McCann IL, Pearlman LA. Jan 189-196.
The continuum of violence against women: Psychological and physical consequences. Leidig MW. Jan 149-155.
Self-defense training for college women. Cummings N. Jan 183-188.
Unwanted sexual activity: The prevalence in college women. Tanzman ES. Jan 167-171.
Violence on campus: The changing face of college health. Steenbarger BN, Zimmer CG. Jan 147-149.

Warts
Liquid nitrogen treatment of hand and plantar warts. Hewitt WR Jr. May 288-289.

Students At Risk.

Drug Abuse • Depression • Date Rape • Smoking
Eating Disorders • STDs • Stress • Alcohol Abuse • Poor Nutrition

HealthGuide™ will transform estimates into facts and deliver appropriate referrals to all students in need.
We provide you with the hard data on student health risks you need to allocate your health services resources.

Our society places great value on the individual right to choose. This ability to make decisions, however, can become altered while under the influence of alcohol and other drugs. "Decisions may not seem important at the time, but they may have consequences and lasting effects on your life and the lives of others."

THE CHOICE IS YOURS

A series of scenes giving a realistic portrayal of the type of situations in which students may find themselves, with specific regard to the social setting.

Addresses the complex issue of sexuality, touching on the following:

- ***Safer Sex • Abstinence • Sexual Orientation***
- ***Unplanned Pregnancy***
- ***Sexually Transmitted Diseases***
- ***A.I.D.S.***

Rental: $60.00 plus GST • Purchase: $325.00 plus GST - Telephone (403) 220-3709
